Select dataset

You can import a tabular dataset or choose one that has already been imported. Your dataset must contain at least one input column and a target column.

| Name      | Columns | Rows | Cells | Created | Status             |       |
|-----------|---------|------|-------|---------|--------------------|-------|
| ✓ Estoque | V1      | 5    | 1000  | 5000    | 07/30/2024 4:34 PM | Ready |

Select a column to predict

Choose the target column. The model that you build predicts values for the column that you select.

Target column: QUANTIDADE\_ESTOQUE

Value distribution

Model type

SageMaker Canvas automatically recommends the appropriate model type for your analysis.

Time series forecasting

Your model will forecast QUANTIDADE\_ESTOQUE by using past data values to predict future data values.
